

Pewee Valley Historical Society Meeting  
August 12, 2019

The meeting was called to order at 7:00 p.m. With the objective to assimilate newly acquired items into the museum, members Donna Russell, Jana Brizendine, Pat Palmer and Anne Pohl-Kyser held forth on both specific and general discussions.

In regards to Proposed Calendar, Donna noted that multiple churches will be included.

Donna also introduced privately printed 80 plus photos recently acquired that show cased many historic properties and persons of historical nature in Pewee's beginnings.

**PLEASE SEE ATTACHED LEGENDS FOR THE FOLLOWING:**

- D Wall/Town Council Room: the arrangement received accolades from all attendees.
- An antique clock (Herdt Motor Company) was discussed as to placement in T.C.R/ Wall A. Repairs will be required.
- Also, several Kate Mathews photos will need placement; among which are: Jesse Joy at Clovercroft, Mary Johnston posed as an angel, and Little Dutch Girl reproduction of Kate Mathews. There are additional ones to be considered as well.
- Spanish Movie posters donated by Susan Sue Lyon McDaniel (Lil Colonel impersonator) should be placed on A Wall in Community Room (C.R.).
- The large Map will go to left back corner of D Wall (C.R.).
- Annie Fellows Johnston sign to be placed on D Wall (C.R.), and her additional collection to be attractively displayed between D Wall windows. U.V. Blocking film is needed ASAP for the two windows.
- The map in the kitchen to possibly be moved to B Wall to left of wooden steps in Museum Original Bay (M/OB).

- First Responders will require a HEADER sign; another responder (policeman) is in process of being made available; to be placed on B Wall (M/OB). Separate signage for each department.
- Signs for the Post Office, Centennial, Bicentennial, (Sesquicentennial?) should be placed on wall above cases in (M/OB) also, Wall B would be a nice placement for the “Old Mill” picture, and possibly some additional maps in this room.
- Signs on E Wall should be “rehung” to offer space for additional signs and maps.
- The wonderful Herdt Motor sign ‘s placement will be finalized soon.
- Donna’s suggestion to possibly mount certain other maps to bottom glass of overhead door was another possibility.
- The approximately 35 historic homes and properties would exhibit well on the wall above the counter in Community Room (CR).
- Presently discussion is being held to determine the best location for the trains; both the lanterns and trains will be in Museum.
- Questions arose, re: small “identifying markers” (name submitted per Ann), will be considered for future reframing.
- Persistent and serious consideration for additional exterior signage for: Town Hall, Historic Properties, Museum Name, Caboose, Mail Drop Edifice, (among others) must be considered. The Town Council must approve the signage.

Donna presented an excellent suggestion to seek local monies for additional future financial needs; it was welcomed by all. (in the past contributors have been Brown-Foreman and McMahan).

Meeting was adjourned at 8:10 PM.

Respectively submitted,  
Jana Brizendine
